Dear Parents/Carers,

We recognise how much you value Wrap Around Care and so will be offering this service from September. The times for the sessions will still be 8:00am - 9:00am and 3:30pm - 6:00pm Monday-Thursday and 3:30pm - 5:30pm Friday. If your child's finishing time is 3:10pm they will be looked after in their class bubble until after school club starts at 3:30pm.

For us to offer this service and remain within government guidelines, a number of changes are necessary.

The hall will be used and will be divided into areas in order to operate Wrap Around Care bubbles.

Activities will be limited to ones that do not involve a great deal of movement; children may have to remain at tables whilst in the hall. This is very different to the way it used to be where children could choose their own activities in the room. Weather permitting children will be offered activities outside every day.

Snacks will still be provided but no hot food.

To keep within guidelines, places will be limited and therefore will be allocated on a first come first served basis. To book places please email wraparoundcare@staugustinewebster.net on receipt of this email by 12pm Friday 14th August. Places will be confirmed week commencing Monday 17th August. You will receive confirmation of your booking if a place is available.

If you were to be successful in securing a place a month's payment will be needed in advance paid on ParentPay and if a place is booked for your child/children payment is still expected even if your child/children fails to attend.

We would like to thank you for your patience and support through these challenging times.

Yours sincerely,

Mrs R Abdi Stephenson

Wrap Around Care Coordinator
