

Statement of Action

Aim

The aim of this Statement of Action is to identify and plan robust actions in response to the Section 5 Ofsted inspection of St Augustine Webster Catholic Voluntary Academy of the 12th and 13th March 2020, to bring about rapid improvement in leadership and management and, in particular, the leadership and management of safeguarding, the quality of education, behaviour and attitudes and personal development.

Timescales and milestones have been put in place to ensure that, by the time of the Section 8 monitoring visit, Ofsted judges that the school is taking effective action towards the removal of serious weaknesses.

The Ofsted report dated 10-13th March 2020 identifies the following areas for improvement (Afls):

Areas for Improvement (Afls)

I. Safeguarding

“Leaders have not made sure that statutory requirements relating to safeguarding are met. Leaders responsible for safeguarding do not have the training they need. Staff do not keep thorough records. Leaders do not identify potential trends and patterns in safeguarding concerns. This puts vulnerable pupils at risk. Leaders must take urgent action to address weaknesses in safeguarding and ensure arrangements for keeping pupils safe are effective.”¹

Ensure statutory requirements relating to safeguarding are met by:

- a) Clarifying safeguarding roles and responsibilities, so that all staff understand how to record and report concerns.
- b) Ensuring leaders responsible for safeguarding have the training they need
- c) Ensuring school leaders are making effective and appropriate use of Alternative Provision and undertake their responsibilities effectively
- d) Ensuring school leaders undertake effectively their responsibility for pupils in Alternative Provision, particularly with monitoring and evaluating the provision
- e) Eradicating inconsistencies in the school’s approach to record keeping and, in particular, by establishing a systematic and robust procedure for recording communication about vulnerable pupils
- f) Ensuring leaders and managers, including governors, are appropriately skilled and knowledgeable to quickly develop systems to hold leaders to account for all aspects of safeguarding
- g) Strengthening quality assurance procedures to confirm that school leaders, are routinely monitoring and evaluating safeguarding data in order to identify potential trends and patterns in safeguarding concerns

¹ OFSTED (March 2020), Inspection of Saint Augustine Webster Catholic Voluntary Academy, Page 4.

h) Sharpening the role of governors and Trust leaders in checking that all staff, including leaders, are following the agreed policies and procedures to keep children safe

2. Leadership and management

“Until very recently, leaders have not been clear about the school’s main priorities for improvement. This has led to ineffective arrangements for safeguarding and a decline in the quality of education and pupils’ behaviour at social times since the previous inspection. Leaders should ensure that plans are put in place and actioned swiftly to address the school’s main priorities for improvement.”²

“Leaders have not thought about the crucial knowledge and skills pupils will learn in some foundation subjects such as science, geography and computing. This means pupils do not build knowledge over time. There are gaps in pupils’ learning. Senior leaders should support curriculum leaders to develop the skills they need to establish a progressive and well sequenced curriculum in the foundation subjects. Curriculum leaders should check the effectiveness of the implementation and impact of the curriculum in their subject.”³

“Governors should hold leaders to account for the implementation of these plans”⁴.

Ensure leadership and management is effective by:

- a) Reviewing the leadership structure of the school to clearly define leadership responsibilities and line-management arrangements
- b) Developing leadership capacity at all levels
- c) Improving the accuracy of school self-evaluation
- d) Improving the quality of school improvement planning
- e) Embedding robust and systematic Quality Assurance procedures
- f) Building the capacity of governors to hold school leaders to account for provision and the quality of education

3. The Quality of Education

“Leaders have not ensured that children get off to a strong start in reading. Sessions to help pupils catch up are too focused on comprehension before children have mastered how to decode words. As a result, some pupils do not become fluent, independent readers. Leaders should provide training for all staff to help them become effective teachers of reading. Teachers should ensure that there is enough time for pupils to rehearse and practise the sounds they are learning. Teachers should provide pupils with books that match the sounds they know. Leaders should check that catch up sessions successfully build pupils’ fluency and confidence in reading.”⁵

“Some pupils with SEND do not achieve as well as they should. Plans to support them are not clear and are not reviewed often enough. Leaders should ensure support plans make it clear how staff can help pupils with SEND, particularly with basic skills in reading and mathematics. Leaders should check the quality and impact of support plans so that these pupils are supported appropriately to achieve well.”⁶

Improve the quality of education for all pupils by:

- a) Developing the curriculum further to ensure it effectively meets the needs of all pupils and, in particular, Low Attaining Pupils (LAPs) and pupils with SEND
- b) Improve the precision in curriculum planning by sequencing learning to ensure new learning builds on what pupils already know

² OFSTED (March 2020), Inspection of Saint Augustine Webster Catholic Voluntary Academy, Page 4

⁴ OFSTED (March 2020), Inspection of Saint Augustine Webster Catholic Voluntary Academy, Page 5

⁵ OFSTED (March 2020), Inspection of Saint Augustine Webster Catholic Voluntary Academy, Page 4

⁶ OFSTED (March 2020), Inspection of Saint Augustine Webster Catholic Voluntary Academy, Page 5

- c) Improving the provision for Reading and, in particular, the quality of teaching and learning in phonics

4. Attendance

“Leaders have not monitored attendance effectively and therefore have not addressed rising rates of pupils’ absence and increasing rates of persistent absence. Too many pupils, including those who are disadvantaged, are missing out on their learning. Leaders must take swift action to ensure more pupils attend school regularly.”⁷

Improve the attendance, and in particular, the attendance of disadvantaged pupils by:

- a) Building the capacity of school leaders to manage school attendance effectively
- b) Establishing an ethos and culture that values the importance of attendance, punctuality and its link to good progress and attainment
- c) Applying school attendance policies robustly and proactively implementing appropriate strategies to address attendance issues
- d) Ensuring a relentless focus on reducing persistent absence through targeted support for children with persistent absenteeism or who are at risk of persistent absenteeism
- e) Ensuring policies and interventions are in place to support pupils struggling with other issues which may impact upon their attendance, such as social, emotional, mental health and well-being issues or bullying concerns
- f) Deploying internal resources strategically to provide additional support where required to improve attendance and reduce persistent absenteeism

5. Personal development

“The curriculum for pupils’ personal development does not help pupils learn enough about people of different faiths and cultures. Some pupils do not have a respectful understanding of different groups of people. Leaders should implement a curriculum for personal development that prepares pupils more fully for life in modern Britain.”⁸

Prepare pupils fully for life in modern Britain by:

- a) Strengthening the Catholic ethos of the school
- b) Developing a clear curriculum intent for personal development
- c) Developing a more robust PSHE curriculum that promotes equality and diversity and broadens pupils’ understanding of life in modern Britain
- d) Improving the provision and support for SEMH
- e) Providing more opportunities for enrichment activities

6. Behaviour and Attitudes

“Pupils behaviour on the playground can be boisterous which makes some pupils feel unsafe.”⁹

“Some pupils and their parents are worried about how the school deals with bullying. Leaders have recognised this and made some changes to how they manage incidents of bullying.”¹⁰

Improve the behaviour and attitudes of pupils by:

- a) Building the capacity of school leaders to manage school behaviour effectively

⁷ OFSTED (March 2020), Inspection of Saint Augustine Webster Catholic Voluntary Academy, Page 5

⁸ OFSTED (March 2020), Inspection of Saint Augustine Webster Catholic Voluntary Academy, Page 5

⁹ OFSTED (March 2020), Inspection of Saint Augustine Webster Catholic Voluntary Academy, Page 2

¹⁰ OFSTED (March 2020), Inspection of Saint Augustine Webster Catholic Voluntary Academy, Page 2

- b) Establishing an ethos and culture that values the importance of good behaviour
- c) Applying school behaviour policies robustly and consistently and implementing appropriate strategies to address unwanted and inappropriate behaviour
- d) Deploying internal resources strategically to provide additional support to improve behaviour, particularly at playtime and lunchtime
- e) Ensuring policies and interventions are in place to support pupils struggling with other issues which may impact upon their behaviour, such as social, emotional, mental health and well-being issues or bullying concerns

Acronyms:

IEC	Interim Executive Committee	LCLG	Link Catholic Life Governor
PC	Progress Committee (Local Authority Chaired)	DS	D Sidaway (Headteacher)
QA	Quality Assurance	KM	K Matthews (Assistant Headteacher, DSL,)
LA	Local Authority	RD	R Dickinson (Assistant Headteacher, Curriculum Lead, Assessment Lead)
DSL	Designated Safeguarding Lead, Also DDSL is Deputy Designated Safeguarding Lead	JM	J Mancey (Literacy/Phonics Lead)
DPS	CMAT Director of Performance and Standards	BW	B Wynne (SENDSCO)
LSG	Link Safeguarding Governor		

Governance and Accountability

The Statement of Action (SOA) has been prepared by the Headteacher and the St Thérèse of Lisieux Catholic Multi Academy Trust Director of Performance and Standards with input from the Chair of Governors, senior and middle leaders. The SOA has been approved by the Interim Executive Committee. Accountability and challenge rests with the Interim Executive Committee and Progress Team, who meet six times per year. Following a half-termly formal review of the SOA by the Senior Leadership Team and the Director of Performance and Standards, the Headteacher will report on progress to the Interim Executive Committee and Progress Team. During each half-term cycle, designated link governors meet with accountable leaders named on the plan to further triangulate and challenge progress. The academy will also be subject to further progress accountability via the North Lincolnshire Education Standards Board. The life of the SOA will be from approval by OFSTED through an 18/24 month period, to the anticipated re-inspection around Spring 2022, although in several areas, work started immediately and has already progressed to address areas identified as significant weaknesses in the report.

Covid-19

This plan was written and submitted during the Covid-19 pandemic and subsequent school closure. As such, whilst there are a number of actions that can be progressed during closure and lockdown, there are many that are dependent on school functioning normally. These actions and timescales will be further reviewed in light of changes caused by the pandemic. Moreover, there will be a requirement to revise plans, actions and targets to take into account the period of lost learning and any subsequent

transitional plans. Areas of concern include; a transitional curriculum to re-establish routines and gauge knowledge gaps; sufficient guided learning hours available for returning cohorts; national guidance on subsequent national accountability measures.

Arrangements to inform parents and carers

Upon release of the final inspection report, on 17th June 2020 parents and carers received a direct letter from the CEO of the St Therese CMAT and the interim headteacher to inform them of the overall outcome and to signpost them to the academy and Ofsted website to view the full report. On 25th June 2020 parents and carers were then invited to face to face meetings with the interim headteacher, substantive headteacher (September 2020) and the St Thérèse of Lisieux Catholic Multi Academy Trust Director of Performance and Standards to discuss the report and actions to move forward. The Statement of Action is available to parents via the school website, where they will be kept informed of progress via regular updates. The academy will collect the views of parents relating to the Statement of Action on a termly basis. Any concerns raised during this process will be followed up with face to face meetings wherever possible.

Chronology of actions completed/scheduled

Area for Improvement 1: Ensure statutory requirements relating to safeguarding are met				
Milestones: Safeguarding Procedures to be clear, in place and effective from 20 th March 2020				
by end of July 2020 All safeguarding policies and procedures rigorous and robust. Clear DSL and DDSL responsibilities with updated training. Safeguarding Audit to be completed and all actions implemented – reported to the IEC. Safeguarding training to be booked for whole staff (LA Provider Andy Walton), training plan created. Training plan and dates reported to the IEC for all staff. AP policy implemented. CPOMs updated and staff trained in its efficient use. All staff have undertaken Hay's training for Safeguarding.	by end of December 2020 Continuous monitoring of all Safeguarding procedures show they are rigorous, robust and monitored effectively. CPD for safeguarding actioned and in place. LA Safeguarding Audit report shows all safeguarding procedures are robust – including any use of Alternative Provision.	by end of April 2021 All policies and procedures monitored and an impact statement produced for the IEC and PC. IEC has a detailed report of the impact from the actions undertaken. All staff aware of the contextual issues of safeguarding. All inconsistencies in record keeping have been eradicated.	by end of July 2021 A review of the QA processes to ensure that any gaps are identified and quickly resolved. All Safeguarding Audits over the year state safeguarding is effective. DSL regularly attended. safeguarding update meetings ensure that all staff remain current with any new safeguarding issues. LA and Trust Safeguarding Audit report shows safeguarding is effective.	so that by November 2021 Leadership at all levels is strong resulting in: Safeguarding is effective and monitored effectively. There is a comprehensive monitoring structure in place which is effective and robust.
Establish a robust culture of safeguarding by: (EIF 6, 9, page4; 12, 13, 14, page 3; 18, page 6; 29, page 11; 30, page 12)				

- a) Clarifying safeguarding roles and responsibilities, so that all staff understand how to record and report concerns.
- b) Ensuring leaders responsible for safeguarding have the training they need
- c) Ensuring school leaders are making effective and appropriate use of Alternative Provision and undertake their responsibilities effectively
- d) Ensuring school leaders undertake effectively their responsibility for pupils in Alternative Provision, particularly with monitoring and evaluating the provision
- e) Eradicating inconsistencies in the school's approach to record keeping and, in particular, by establishing a systematic and robust procedure for recording communication about vulnerable pupils
- f) Ensuring leaders and managers, including governors, are appropriately skilled and knowledgeable to quickly develop systems to hold leaders to account for all aspects of safeguarding
- g) Strengthening quality assurance procedures to confirm that school leaders, are routinely monitoring and evaluating safeguarding data in order to identify potential trends and patterns in safeguarding concerns
- h) Sharpening the role of governors and Trust leaders in checking that all staff, including leaders, are following the agreed policies and procedures to keep children safe

Area for Improvement 2: Leadership and Management

Milestones:

by end of July 2020	by end of December 2020	by end of April 2021	by end of July 2021	so that by November 2021
<p>There is a clear line of accountability for all roles and responsibilities across school.</p> <p>The SLT have a clear understanding of the school's areas for development and this is communicated to all staff effectively.</p> <p>The Statement of Action is in place to address all of the OFSTED priorities.</p>	<p>Middle leaders have clear plans in place which underpin the key priorities for improvement within the SIP and demonstrate their understanding of the strengths and areas for improvement in their subject/aspect.</p> <p>The Maths and English framework for monitoring is in place and is</p>	<p>Senior leaders have a clear understanding of their roles, responsibilities, accountabilities and are having an impact on teaching and learning over time. All senior and middle leaders have a good understanding of performance data and are using</p>	<p>Leaders have evidence that they are engaging effectively with the whole school community and this has led to school improvement. Leaders have an evidence base to show how they have improved teachers pedagogical and pedagogical content knowledge.</p>	<p>Leadership at all levels is strong resulting in:</p> <p>All needs of all pupils are met and there is robust evidence to support this.</p> <p>Cohort and end of key stage pupil targets being met (see within the data section of the plan).</p> <p>Teachers meeting appraisal targets.</p>

<p>Subject leaders develop their subject to ensure curriculum coverage. All performance management reviews completed. The IEC has been part of the Statement of Action development and changes implemented. CPD training plan developed to address training requirements across the school.</p>	<p>having an impact on teaching and learning over time. (Note: Monitoring has taken place and has had impact on teaching and learning. The frequent isolations over the term have impacted on this and we need to extend this into next term to ensure embodied.) Provision Mapping shows that all children's needs are being met in school. (Note: provision map is in place revision of ADPR shows there has been impact but we would like to continue to review this as isolations impacted on outcomes.) Governors have reviewed and updated the SIP. The plan clearly identifies the next stage of development which enables them to fulfil their strategic role. (Note: SOA updated and shared with IEC. Progress Team meeting will review at the beginning of next term.) CPD allocated in Reading to enable teachers to raise expectations by the end of each phase. Appraisal targets set in line with school and class priorities.</p>	<p>outcomes from monitoring to secure school improvement. Feedback from pupil and parent questionnaires evidenced and communicated to the governors, staff and parents. Key priorities from the analysis of work and lesson visits are identified by middle leaders and are highlighted from monitoring. Action plans are in place to target highlighted development points.</p>	<p>Leader have ensured that learners have successfully completed their programmes of study for the year. Parents attend curriculum meetings and understand how they can support their children at home. Teaching and learning in school is good or better over time due to strong leadership. Performance Management is used effectively to encourage, challenge and support teachers' improvement and facilitate high quality professional development The SEF is updated regularly and is an honest and accurate reflection of the school's strengths and weaknesses. All needs of pupils are continually being met.</p>	<p>Progress in all areas by the end of each Key Stage is at least in line with National results. Accurate self –evaluation based on secure evidence. Governors having a clear understanding of their role and are holding the school to account. All new governors are able to demonstrate and evidence their impact in school. Good links with parents/carers have been established so that:</p> <ul style="list-style-type: none"> • parents have a clear understanding how their child is doing in relation to standards expected • parents are engaged in supporting their child's learning which is contributing to improved outcomes
---	--	--	---	--

Improve the quality and effectiveness of leadership and management by:
(EIF 29, Page 11)

- Reviewing the leadership structure of the school to clearly define leadership responsibilities and line-management arrangements
- Improving strategic leadership capacity at all levels
- Clarifying the roles and responsibilities of leaders at all levels
- Improving the capacity of subject leaders to plan a curriculum that meets the needs of all pupils, in particular, for LAPs and SEND pupils
- Improving the capacity of leaders at all levels to monitor and evaluate the quality of the curriculum through the embedding of robust and systematic Quality Assurance procedures.

Priorities	Lead	Actions	In place by	Monitoring	Evaluation	Est. Cost	Success Criteria/Impact
------------	------	---------	-------------	------------	------------	-----------	-------------------------

Area for improvement 3: Improve the quality of education for all pupils

Milestones:

by end of July 2020	by end of December 2020	by end of April 2021	by end of July 2021	so that by November 2021
<p>The values elicitation exercise has been completed and collated in order to update and improve school values.</p> <p>SENDCo recruited to ensure that all children are appropriately challenged and supported.</p>	<p>The curriculum intent is clear; all staff clear with the vision. (Note: First three weeks of school year school followed a curriculum to help children settle back into school. Curriculum initially narrowed to identify and address gaps in learning. New curriculum introduced in October now has clear rationale for implementation and impact. To turn green would like to ensure it is embedded next term.</p>	<p>Easter milestones for pupil outcomes are met.</p> <p>The non-negotiables are consistently being applied in Reading, Writing and Maths, across the whole curriculum.</p> <p>Assessment for learning procedures are used well to inform gaps in learning which is reflected in</p>	<p>The proportion of children predicted to meet National Standards in Phonics is above National Average.</p> <p>Through regular opportunities to read children consistently demonstrate improved outcomes in reading.</p>	<p>Leadership at all levels is strong resulting in:</p> <p>Cohorts and end of Key Stage pupil targets are met (see within the data section of the plan).</p> <p>Moderation is fully embedded across the school and with other schools, resulting in secure and accurate data for all cohorts and key groups.</p>

<p>SEND provision map completed and all staff aware of the clear expectations for each pupil. to have been completed. Phonic provision audited findings presented in staff meeting to improve provision. Whole staff CPD for Reading</p>	<p>LTP in place which is clearly sequenced in all areas. The needs of all pupils are met through detailed provision planning. (Note: provision map is in place revision of ADPR shows there has been impact but we would like to continue to review this as isolations impacted on outcomes.) December milestones for data are met. Improvement points are sharply focused and children are given regular opportunities to respond. (Note: not across all subjects due to narrowed curriculum.) Staff meeting on phonics delivered to standardise phonics across school. Phonics provision good or better across school. (Note: Progress in Phonics has been good across school. Low starting points still mean that percentage of children at age related expectations for Phonics is still not at 'normal' national average) Key groups and gender gaps analysed and targeted accordingly. Assessment procedures updated in line with the new progression grids (Note: RE, Maths, Literacy, History, Geog, Science complete. Other subjects by April 20201) Catholic values permeate through the whole curriculum. (Note: Values timetable has been introduced across school. To be green would like to ensure that values are being embedded) Subject leaders clear with their curriculum intent with robust progression documents.</p>	<p>planning to address the learning needs. Reading provision shows improved outcomes across the school. Highlighted grids are completed which show progress throughout school from the child's starting points in reading.</p>	<p>Gender gaps narrowing in school in each of the phases. EYFS children are making good or better progress from their starting points. Progress across KS1 for middle ability children is good or better. DA gap is narrowing against National others. All foundation subject assessments moderated by the subject leader and assessments accurate.</p>	<p>Assessment for learning has contributed to the children making good progress. Foundation assessments are rigorous and are having an impact on learning and teaching over time. KS1 results are in line or better than National figures. Progress from EYFS to the end of KS1 and KS2 is in line with National or better. Phonic achievements are in line or better than National. Progress across KS2 is in line with National and better. Assessment across the school is firmly embedded and accurate highlighting the hard to move groups and ensuring a higher percentage of GD children in line with or above National.</p>
--	--	--	---	---

Improve the quality of education for all pupils by: (EIF 26, Page 9)

- Developing the curriculum further to ensure it effectively meets the needs of all pupils and, in particular, Low Attaining Pupils (LAPs) and pupils with SEND
- Improve the precision in curriculum planning by sequencing learning to ensure new learning builds on what pupils already know
- Improving the provision for Reading and, in particular, the quality of teaching and learning in phonics.

Area for Improvement 4: To Improve attendance across school to be at least in line with national figures.

Milestones:				
<p>by end of July 2020</p> <p>Clear responsibilities for the new attendance officer clearly defined.</p> <p>New attendance policy developed in line with key findings highlighted from the attendance recovery plan.</p> <p>Ensure that all attendance registers have been completed linked to COVID.</p> <p>Vulnerable pupils are to be contacted daily and this is to be recorded.</p> <p>Reintegrate the AP pupils.</p> <p>Ensure that CPOMs chronology for individual pupils is clear and easily understood.</p> <p>Parental workshops for EYFS planned for and ready for implementation.</p>	<p>by end of December 2020</p> <p>Attendance policy and procedures in place.</p> <p>LA procedures for attendance clearly meshed with school procedures – links with Wendy Holmes attendance LA.</p> <p>A triangulation of FSM, SEN, PPG and Boys attendance to identify any trends or patterns has been completed.</p> <p>Identification of the causes for poor attendance actioned. (Note: Difficult to assess impact due to frequent interruptions from isolations. Move milestone to later in year to assess accurately.)</p> <p>Bi-weekly meetings to discuss and monitor attendance occur in order to measure the impact of the Post-Ofsted Plan.</p> <p>Support mechanisms in place for those reluctant attenders. (Note: Difficult to assess impact due to frequent interruptions from isolations. Move milestone to later in year to assess accurately.)</p>	<p>by end of April 2021</p> <p>Policy and procedures efficient and effective.</p> <p>LA procedures clearly followed with support for the more vulnerable groups identified.</p> <p>Any trends in attendance data identified and actions plans implemented.</p> <p>Parental workshops for Early Years implemented.</p> <p>Absence percentages for all cohorts are improving.</p>	<p>by end of July 2021</p> <p>Attendance in school at least in line with National levels.</p> <p>Persistent Absences at least in line with National levels.</p>	<p>so that by November 2021 Leadership at all levels is strong resulting in:</p> <p>Attendance in school at least in line with National levels.</p> <p>Persistent Absences at least in line with National levels.</p> <p>All policy and procedures have been reviewed and effective.</p> <p>All Stakeholders voice accounted for and any issues raised resolved.</p>

		Persistent Absentees supported and impact minimised. (Note: Difficult to assess impact due to frequent interruptions from isolations. Move milestone to later in year to assess accurately.)																																
Improve the attendance and, in particular, the attendance of disadvantaged pupils by: <ul style="list-style-type: none">a) Improving the capacity of school leaders to manage school attendance effectivelyb) Ensure that persistent absence is reduced and those children are supported to attend schoolc) Establishing an ethos and culture that values the importance of attendance, punctuality and its link to good progress and attainmentd) Applying school attendance policies robustly and proactively implementing appropriate strategies to address attendance issuese) Deploying internal resources strategically to provide additional support to improve attendancef) Ensuring policies and interventions are in place to support pupils struggling with other issues which may impact upon their attendance, such as social, emotional, mental health and well-being issues or bullying concerns																																		
Attendance data target areas: <ul style="list-style-type: none">• PPG persistent absences 20%• Persistent Absences 8.63% ((Year 1 10%, March 2020) 2017/2018 Sch 3.4%)• Attendance is below National Levels at 95.2%• SEN All 93.51%• SEN All (persistent) 14.47%• Boys attendance 94.73%• Non-EAL attendance 93.98%																																		
Priorities	Lead	Actions	In place by	Monitoring	Evaluation	Est. Cost	Success Criteria/Impact																											
a. Improve the capacity of school leaders to manage school attendance effectively. “Leaders do not check to make sure pupils are attending school well. Rates of absence are rising and the number of pupils who regularly miss school is increasing.	DS	Review the attendance policy and all attendance procedures in school. Ensure that the leadership team give high priority to supporting the improvement of attendance and reduction of persistent absences by regularly reviewing data and reports, weekly, for identified high risk children.	23/10/20	DPS Regular visits Attendance Policy Staff voice	PC Report in half termly PC meeting.	None. Work carried out as part of leaders hip role	Attendance Policy and Procedures are clear and all stakeholders informed; identified attendance at risk group monitored weekly. Area for Improvement 5: To improve the personal development of pupils.

Milestones:				
<p>by end of July 2020</p> <p>Ensure that clear values for AWS have been clearly articulated. PSHE lead to be identified. PSHE curriculum progression document to be developed. All values established and linked to the statements to live by. Values shared with all staff.</p>	<p>by end of December 2020</p> <p>School's Catholic values and mission statement are clear and evident around school. Pupils able to articulate the mission statement clearly. (Note: disruptions have meant children not in school to live out. Continue to monitor next term) The Catholic Ethos of the school is clear around the school.</p>	<p>by end of April 2021</p> <p>After each Worship opportunity for feedback from parents is given. Children are able to plan and lead using the four areas of worship using the correct and appropriate resources. Collective Worship is led by children in school linked to a theme</p>	<p>by end of July 2021</p> <p>Parental attendance of Collective Worship has increased and feedback received and feedback confirms the schools work to enhance pupils SMSC is of a high quality. The curriculum extends beyond the academic, vocational or technical and provides for pupils' broader development.</p>	<p>so that by November 2021 Leadership at all levels is strong resulting in:</p> <p>The July 2021 milestones are met securely and consistently.</p> <p>The school meets all the criteria for good in personal development securely and consistently.</p>

<p>PSHE lesson planned for the welfare and well-being for all pupils – 8th June wider opening.</p> <p>COVID-19 plans for the Lockdown Gap created.</p>	<p>RE Leader understands the needs of all staff in school linked to training.</p> <p>There is clear evidence that British Values are being taught. (Note: British values have been clearly mapped across the curriculum. More time needed to assess impact of teaching)</p> <p>Website compliant with all dates and times linked to Catholic Life and the promotion of Catholic Ethos.</p> <p>Audit of the Collective Worship timetable taken place and communicated to parents. (Note: Will be communicated next term)</p> <p>Planned children lead collective Worship in school – through guidance of adult help.</p> <p>CPD is arranged for the Leadership Team to ensure that Collective Worship is effectively delivered.</p> <p>Evidence shows there is a clear curriculum intent for PD.</p> <p>Pastoral support is effectively given and impacting on positive behaviour outcomes.</p> <p>Support procedures are clearly defined for needs around SEMH and SEND.</p>	<p>and enriches the Worship of the school.</p> <p>Pupil voice shows that the British Value agenda is clearly developed.</p> <p>All staff have had update CPD regarding developing the Catholic Life in school.</p> <p>Children demonstrate high expectations of themselves and others around them</p> <p>A clear extra-curricular plan is developed.</p>	<p>The Ethos is clearly defined during Learning Walks and visits showing the school promotes equality of opportunity and diversity effectively.</p> <p>The school provides a wide range of extra-curricular activities and a high proportion of DA children take part in extra-curricular activities.</p> <p>British values are being taught effectively so that pupils demonstrate a mutual respect and tolerance of those with different faiths and beliefs.</p>	<p>The school consistently promotes the extensive personal development of pupils. The school goes beyond the expected, so that pupils have access to a wide, rich set of experiences. Opportunities for pupils to develop their talents and interests are of exceptional quality.</p> <p>The school provides these rich experiences in a coherently planned way, in the curriculum and through extra-curricular activities, and they considerably strengthen the school's offer.</p>					
<p>Improve the personal development of pupils by: (EIF 28, Page 11)</p> <ul style="list-style-type: none">a) Strengthening the Catholic ethos of the schoolb) Developing a clear curriculum intent for personal developmentc) Developing a more robust PHSE curriculum that promotes equality and diversity and broadens pupils' understanding of life in Modern Britaind) Improving the provision and support for SEMHe) Providing more opportunities for enrichment activities

Area for Improvement 6: Improve the behaviour and attitudes of all pupils

Milestones:				
<p>by end of July 2020</p> <p>Revise the behaviour policy and ensure that all staff understand the sanction and rewards process, including the rationale. Hays behaviour management training completed by all members of staff. CPOMs redesigned to allow a more streamlined entry of data and all staff trained in its use. Develop the ethos and culture of good behaviour across school. Lines of accountability and management clearly defined. All pupils feel safe.</p>	<p>by end of December 2020</p> <p>Behaviour policy in school robust and effectively implemented by all staff. All staff know that they are responsible for behaviour across school. There is a clear ethos and culture to promote good behaviour in all areas of school life. Detailed records are kept on CPOMS following any behaviour incident – staff trained to follow the schools set format. All stakeholders aware and follow the clear lines of accountability. Pastoral support effectively deployed at key areas and times. CPD to develop peacemakers and the pupil voice clearly in place. Plans created for improved outdoor activities at lunch times. (Note: COVID-19 RA has limited opportunities for older children mixing with younger. Look at when restrictions are lifted)</p>	<p>by end of April 2021</p> <p>All CPOMs records up to date and follow the school format. Staff have high expectations of behaviour in and around school. Hot Spot areas for behaviour identified and actions in place to resolve these. An audit of resource deployment carried out and impact statements created linked to findings. All pupils feel supported and safe in and around school. CPD for restorative justice in place.</p>	<p>by end of July 2021</p> <p>Pastoral support effective for vulnerable groups. Serious breaches of the behaviour policy reduced in number. Restorative justice techniques clearly in place and effective.</p>	<p>so that by November 2021 Leadership at all levels is strong resulting in:</p> <p>Behaviour at least good in all areas of school life. Pupil voice demonstrates positive attitudes towards school life, policies and procedures. Capacity of school staff to manage school behaviour robust. Pupils' motivation and positive attitudes to learning is evidenced as important predictors of attainment; the development of positive attitudes is also having a longer-term impact on how pupils approach learning tasks in later stages of education.</p>

		Behaviour Hot Spot grid completed from the first term of records. Structured outdoor activities at lunch time in place. (Note: COVID-19 RA has limited what equipment can be used and how close pupils and staff can get. Look at developing once restrictions lifted)																																			
Improve the behaviour and attitudes of all pupils by: (EIF 27, Page 10)																																					
a) Improving the capacity of school leaders to manage school behaviour effectively																																					
b) Establishing an ethos and culture that values the importance of good behaviour																																					
c) Applying school behaviour policies robustly and consistently and implementing appropriate strategies to address unwanted and inappropriate behaviour																																					
d) Deploying internal resources strategically to provide additional support to improve behaviour, particularly at playtime and lunchtime																																					
e) Ensuring policies and interventions are in place to support pupils struggling with other issues which may impact upon their behaviour, such as social, emotional, mental health and well-being issues or bullying concerns																																					
Priorities	Lead	Actions	In place by	Monitoring	Evaluation	Est. Cost	Success Criteria/Impact																														
a. Improving the capacity of school leaders to manage school behaviour effectively “Although pupils behave well in class, their behaviour on the playground can be boisterous. Some pupils do not play safely. This makes pupils feel unsafe at times. Leaders have recently introduced a new behaviour policy to tackle these issues.” ²⁶	DS	Desired behaviour and attitudes to be modelled by all leaders and staff around school.	17/12/20	DPS Learning walk to triangulate evidence. Review pupil/staff voice	IEC Report to IEC during half termly meeting	None. Work carried out as part of leaders hip role	School leaders are visible around school and demonstrate positive attitudes and behaviour management techniques Green – all leaders act as positive role models in and around school Red – some, but not all, leaders act as positive role models
