

	EYFS	Term	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
<b>Biology (53% of Science content)</b>	<p><b>The Natural World</b> Explore the natural world around them, making observations and drawing pictures of animals and plants.</p> <p>Know some similarities and differences between the natural world around them and contrasting environments, drawing on their experiences and what has been read in class.</p> <p>Understand some important processes and changes in the natural world around them, including the seasons and changing states of matter.</p>	Adv	Plants (+revisit module)	Living things and their habitats (+revisit module)	Animals including humans	Living things and their habitats	Animals including humans	Living things and their habitats
		Len	Animals including humans (+revisit module)	Animals including humans		Animals including humans		Animals including humans
		Pen		Plants (+revisit module)	Plants		Living things and their habitats (+revisit module)	Evolution and inheritance
Physics (29% of Science content)		Adv	Seasonal Change					Light
		Len			Forces and Magnets Light		Forces Earth and Space	
		Pen				Electricity Sound	Electricity	
Chemistry (18% of Science content)		Adv			Rocks	States of Matter	Properties and changes of materials	
		Len		Use of everyday materials				
		Pen	Everyday materials
